### **Geographical location**

Shenzhen lies in the middle-south of Guangdong province. Located in 114° East longitude and 22° 27' - 22° North latitude. The total area is 2020 square km. It is adjacent to Hongkong with the south and joined with Guangdong Pearl River delta, a modern, new-built seaside city.

### **Climate**

Shenzhen has a mild subtropical oceanic climate. An annual average temperature of 22.4 degree (C) and an average annual precipitation of 1,948.4mm bring us a beautiful garden city, which enjoys four seasons of green trees and blooming flowers every year.

Distinguishing seasons according to temperature, spring in Shenzhen has 76 days, summer has 185 days, autumn has 80 days and winter only lasts 24 days. Spring in Shenzhen starts from the first ten days of February to the end of April, and average of temperature of those days is about 19 degree Celsius, it is usually moist, warm and sunshine in spring. Southeasterly wind prevails all year round.

### **Tourism**

Lying at the foot of mountains and facing sea, Shenzhen is a seashore city with beautiful scenery, which boasts of rich tourism resources. There are dozens of scenic spots and historical sites in Shenzhen including winding Dapeng Bay, beautiful beach with blue water and white sands, attractive bathing beach, spectacular Wutong Mountain, fascinating coastal mangrove woods for migratory birds, unique theme park like Window of the World, Chinese Folk Culture Villages, etc. Shenzhen, richly endowed by nature, has unique geographical environment and conditions for developing tourism. Every year, Shenzhen attracts millions of tourists from both home and abroad.

### **Shopping**

Retail industry is well developed in Shenzhen, over one thousand retailing shops are scattered all over the city, lots of well-known retailers, like WALMARK, CAREFORE have swarmed into Shenzhen to open supermarkets. The most of Shenzhen shops are open until 10 p.m. every day. It is convenient for shopping.

### **Population**

Population of city is about 4 million, including about 3 million transient population. Average age of permanent residents is less than 30 years old. GNP per citizen for 1999 is about USD 12000, which is near to developed countries in the world.

### **Amusement and Sports**

Since the SEZ was established, the city poured in a large sum of money to build eight major cultural facilities: The Library, The Museum, The Grand Theater, The Gymnasium, Shenzhen University, The Science and Technology Center, The TV Station, and The News and Cultural Center.

Currently, there are 12 newspapers, 20 magazine publishers and TV station, radio station, 4 libraries, 60 bookstores, 400 retail outlets for artworks, 93 theatres and cinemas, 642 clubs and night clubs, 30 comprehensive playgrounds and theme parks.

In addition, Shenzhen has many tennis courts and gymnasiums and several top-class golf courses, like Mission Hills Golf Club where the World Cup Golf Games held. Shenzhen Soccer Team is one of the 14 A-class teams in China.

The activities offered by all these recreational and entertainment facilities become an essential part of the city's busy, rich and dynamic metropolitan life

### **Dining**

One saying goes "*when it comes to eating, come to Guangzhou*". As time passes, Shenzhen has become another place that deserves this saying. There are so many **restaurants** of different style, and you can enjoy almost every category of Chinese foods here
